

Hon. Judy A. Sgro

Member of Parliament for
Humber River-Black Creek

As the Member of Parliament for Humber River-Black Creek, it is my pleasure to offer my warmest greetings to the renowned people of Shen Yuen Performing Arts as they return to Canada this year.

For over a decade, Shen Yun has wowed the world with their impressive performances. While audiences enjoy beautiful visual displays of cultural artistry and talented performers, the movement behind these shows is just as remarkable.

While political oppression contests the right to express oneself in many places across the globe, Shen Yun is a living rejection of such. I sincerely commend the Shen Yun collective for their commitment to honouring their truths, their spiritual beliefs, and their culture through these beautiful performances.

I would also like to thank them for sharing their story with the people of Canada through such unforgettable shows.

Wishing a wonderful time to everyone in attendance this year!

Sincerely,

Hon. Judy A. Sgro, MP
Member of Parliament
Humber River-Black Creek
