A MESSAGE FROM HONOURABLE MINISTER CHARMAINE WILLIAMS

Greeting to everyone during the 2023 Annual Performance of Shen Yun.
Congratulations on celebrating nearly two decades of customs, values, and traditions, brought upon by your exceptional culture.

This day, you honour your ancestors and the future generations by paying tribute to your heritage and respecting the journey civilization has made in becoming diversified and active in seeking a global culture. Your endeavor to restore your heritage is a virtuous one and although feasibly accompanied by challenges, bears testament to your core values as well as your diligence. I want to take this opportunity to acknowledge the many contributions made by your efforts towards a better, more amiable future. You have my respect for your determination and hard-work, and in helping to garnish a more diverse community in this country.

As we celebrate another milestone made by Shen Yun Performing Arts, I hope both young and old take a moment to cherish the developments made in stride amongst your community.

I wish you great success!

Sincerely,

A handwritten signature in blue ink, appearing to be "C Williams", with a long horizontal flourish extending to the right.
