Shen Yun Performing Arts

March, 2024

As the Member of Provincial Parliament for Mississauga—Erin Mills, it is my pleasure to extend my greetings and best wishes to you and your family, on the occasion of Shen Yun's 2024 visit to Mississauga, Ontario.

Shen Yun is a world-class performance, and many look forward to their arrival each and every time they visit our province. I am delighted that they are once again visiting Mississauga, sharing their skills and talents with our community.

Creativity and passion form the basis of Canada's diverse multicultural tapestry. In Canada, many of the cultures and traditions can thrive and are encouraged to participate in the Canadian Arts. This diversity is greatly enriched when everyone shares their talents and expresses themselves to the fullest. I trust that the brilliance of Shen Yun's artistry will be a marvelous show, showcasing the finest of tradition, heritage, and culture.

Congratulations to everyone on this wonderful occasion, and please accept my best wishes as you enjoy the talented and passionate performance of Shen Yun.

Sincerely yours,

Sheref Sabawy
