**Falun Dafa Association of Edmonton  
Shen Yun Performing Arts (2025)**

*I extend my greetings to the Falun Dafa Association of Edmonton and congratulations on the return of its presentation, in partnership with the Falun Dafa Association of Canada, of Shen Yun Performing Arts.*

*The themes of compassion, courage, and hope that define Shen Yun's celebration of ancient Chinese wisdom reflect values cherished by Canadians. In a time of uncertainty and rapid cultural change, Shen Yun offers a breathtaking portrayal of tradition, beauty, poetry, freedom, and imagination. I am delighted to see the vibrancy and inspiration it brings to Edmonton.*

*Now more than ever, Canadians seek wisdom and inspiration, and I commend Shen Yun for providing both. Best wishes for a successful and memorable Shen Yun Performing Arts season in Edmonton and Canada in 2025.*

*Yours truly,*
