A warm Edmonton welcome, to all the artists performing in this year's Shen Yun tour. We are pleased to be your hosts and hope you will enjoy your visit to our city, and leave with lasting memories.

Compassion, courage and hope are universal themes that cross cultures, which is one of the reasons Shen Yun has received such a warm reception in Canada. We identify with the message.

Thank you for offering a glimpse into the beauty and history of Chinese civilization. In these sometimes difficult times, we need to remember that freedom is not just our goal, but something to celebrate.

We greet you with open arms as you share your vision, joining with you in celebration. Hopefully we can learn from each other, and both come away richer at the end of the performance.

Sincerely,

Ziad Aboultaif, MP
