March 17, 2025

Dear Friends,

As always, I am pleased to extend my best wishes and warm greetings to everyone in Oshawa and throughout Canada as we recognize Falun Dafa Day on May 13th.

I wish to welcome back to Canada the *Shen Yun Performing Arts* for the 2025 season.

This year, as we have seen an escalation of Communist Chinese government interference and transnational repression even here in Canada through a global campaign against Falun Gong and Shen Yun, I am even more firm in my resolve to support and protect the vulnerable. I am committed to being a passionate defender of individual freedom in worship, assembly, and speech.

Shen Yun embodies Canada's commitment to cultural diversity while showcasing universal values and timeless virtues that have been shared across civilizations throughout history.

As a performance that inspires, uplifts, and deeply resonates with Canadians, offering significant cultural and artistic enrichment, I wholeheartedly support the event.

In closing I wish to extend my appreciation and best wishes...

Yours sincerely,

Dr. Colin Carrie MP
