Shen Yun Performing Arts Canada Tour

As the Member of Parliament for Etobicoke Centre, I would like to extend my greetings to all those attending Shen Yun's performances across Canada this year.

Shen Yun is a cultural production that brings audiences a unique opportunity to experience elements of China's traditional performing arts and heritage. Through music and dance, it highlights values that have been cherished for generations, including compassion, resilience, and harmony.

In Canada, we celebrate freedom of expression and cultural diversity, and we recognize the importance of preserving artistic traditions. Events like Shen Yun provide an opportunity for communities to come together and appreciate the richness of global heritage.

As the Shen Yun tour makes its way across Canada, I extend my best wishes to all those attending and to the organizers for their efforts in bringing this performance to Canadian audiences.

Sincerely,

Yvan Baker, MP
